1. Premium Pre-Inked Stamps

The stamp impression is manufactured from a special material which holds the ink and allows it to be stamped on to the paper.

Up to 50,000 impressions.

Date stamp is ideal for post rooms and account departments. Has a test area around a central date window.

Maximum 22 characters per line.

2. Efficient Self-Inking Stamps

Self-inking stamps are extremely light weight and easy to use for repetitive stamping.

Up to 5,000 impressions.

3. Traditional Rubber Stamps

The original stamping technology.

Rubber stamps are economical and need a separate stamp pad.

Date stamp is suitable for office use, particularly grid design stamps. Has a variable date which can be easily adjusted.

Maximum 35 characters per line.
